1 Introduction

Your introduction here.

2 Example section

Your text here. Cite references by `\cite{bib1}` like this [1]. Multiple citations can be comma separated `\cite{bib1,bib2,bib3,bib4}` like this [1–4].

Bibliography should be listed by order of citation in the text.

2.1 Example subsection

Your text here. Inline equation: $y = ax^2 + bx + c$. Display equation:

$$x_{1,2} = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}.$$

3 Example section 2

Example bulleted list:

- Item 1

- Item 2

Example enumerated list:

1. First item

2. Second item

Example table is given in Table 1. Vertical lines are optional and created by `{|r|c|l|}` after `\begin{tabular}`.

Right	Center	Left
x	y	z
a	b	c

Table 1: This is the table caption.

Let's go to next page with `\newpage`.

Figure 1: Default Windows 10 background.

Figure 2: Default Windows 10 background.

Example figure is inserted by `\includegraphics`. Reference it by `\ref{fig1}` like this: Figure 1 presents the default Windows 10 background.

You can view the size of the figure by surrounding it in `\fbox{ }`, like in Fig. 2. You can also change the size by `width=0.7\textwidth`.

4   Conclusion

Your conclusion here.
